

## LAR-IAC2 Status Update

**May 21, 2009**  
**Los Angeles, CA**

*Prepared by: George Halley for Karen Adkins, Program Manager  
ghalley@sanborn.com, (719) 264.5503*

## Sanborn Project Status

- All initial ortho deliveries are complete. Per last meeting's schedule, all deliveries on time
- All requested corrections have been delivered ahead of schedule
  - North 4 and 6, Mountain East and West still in initial review at Dewberry
- DTM update and Metadata will be delivered by end of month
- Seamline shapefile will follow (ortho imagery dates)
