Training Agenda

- A. 9:00 - 11:30 am - Administrative Training session
Lunch Provided
- B. 1:00 - 3:00 pm – End-User Training session

There are a limited number of workstations. We will be taking reservations on a first-come, first-serve basis, but priority will be given to the agencies that have not had anyone attend previous training sessions.

Administrative Training Session

For this training, there should be one (1) person per city/agency. If there are seats available, we will take more than one person.

End-User Training Sessions

For the End-User Training we will need RSVP's as well. Please limit 2-3 people per city/agency. Depending on the number of attendees, we may, or may not, plan for a second session.

If the location and/or time do not work for you, please keep in mind that we will be setting up other Pictometry training days at other locations in the near future. We will send out emails detailing additional days as they are finalized. You can also check the Training Related page on the LAR-IAC website at <http://planning.lacounty.gov/lariac/training.htm> for updates. FYI, we also still have spots available in the Glendale training on 4/5/07.

Please RSVP to me and CC Nick Franchino (nfranchino@planning.lacounty.gov). Also, please be mindful not to hit "reply to all" to this e-mail.

Thank you,
