Data Deja View

Map Legend

Five-Year Change in Two Economic Indicators 1997 to 2002

Community Population Groupings

Population Plus

POPULATION PLUS ArcView and ArcGIS

48 Colors, 141 Population Symbols, 90 Population Plus 2 Attributes (ArcGIS only), 2904 Population Plus 2 Attributes (pre-colored).

Population Symbols:

Each symbol in the row above is repeated with the following variations:

Population Plus Symbols:

Use of symbols is illustrated on the background map above.

NFPA SYMBOLS ArcGIS Only

A pre-numbered set of 375 symbols with the National Fire Prevention Association coding.

* ArcView versions are available under the HAZMAT Set.

POTPOURRI ONE-TWO-THREE ArcView and ArcGIS

Total Set Count 434 Symbols

- 92 Animals (North American)
- 20 Communications
- 13 Environmental Conservation
- 53 Historical
- 112 Mining, Petroleum, Utilities
- 47 Miscellaneous
- 61 Sports and Recreation
- 36 Travel and Tourism

MILITARY UNIT (HISTORICAL) ArcGIS Only

A total of 605 symbols in five border design series. These include unit types typical in the late 16th and the 17th centuries.

Unit Strengths:

Unit Functions:

EMERGENCY RESPONSE SYSTEM ArcView and ArcGIS

50 Incident Symbols, 85 Infrastructure Symbols (4 stages each), 24 Natural Events, 44 Operations Symbols (4 stages each).

Infrastructure:

Incidents:

Natural Events:

Operations:

DDV has provided 1, 2 and 3 color versions of these proposed standard symbols.

POLYGONS AND LETTERS SET and POLYGONS AND NUMBERS SET ArcGIS Only

Most symbols are available in four design styles (see above).

Changing layer colors allows further differentiation within/between marker shapes.

TRANSPORTATION SPECIAL RAILROAD SET ArcView and ArcGIS

26 Rail Crossing Symbols, 32 Railroad Block Signals

TRANSPORTATION SPECIAL TRAFFIC SIGNALS ArcView and ArcGIS

66 Traffic Light Symbols

TRANSPORTATION SPECIAL CRASH SET ArcView and ArcGIS

159 Plan View Symbols, 123 Elevation View Symbols, 102 Multi-Layer Symbols (ArcGIS only)

EMERGENCY AND LAW ENFORCEMENT ArcView and ArcGIS

35 Firefighting Symbols, 32 Law Enforcement Symbols, 13 Emergency Medical Symbols

LANDSCAPE TREES AND SHRUBS ArcView and ArcGIS

20 Elevation View Symbols, 20 Plan View Symbols, 118 Symbols In All *

* NOTE: Each plan view symbol is available in 4 to 6 different line thicknesses. This allows the use of a wide range of symbol sizes.

SHADEMAX COLOR SETS ArcView and ArcGIS

ShadeMax color sets give spectacular results with ArcView's Spatial Analyst and 3D Analyst.

ShadeMax color ramps offer a means of providing the same grid and tin coloring in ArcGIS.

Arizona Ochre, Desert Buttes, Obbie-2, Wyoming Territory, The Vermonters, Smack Dab, California Dry, Ahsenal Deep, Winter Sunset

MARITIME SYMBOL SET ArcView and ArcGIS

123 Shore and Sea Symbols, 150 Pre-numbered Buoy Symbols

TRANSPORTATION MASTER SET ArcView and ArcGIS

28 Aircraft and/or Airport, 28 Trucks, 12 Tunnel Portals, 18 Turning Movement Arrows, 7 Park and Ride, 15 Salt and Sand Sheds, 12 Construction Equipment, 45 DOT Vehicles, 21 Other Related Symbols

Data Deja View's symbol creation goals are to:

- Provide ultra-high-quality marker symbols.
- Save users time by pre-numbering appropriate sets.
- Provide alternative symbol designs, and
- Provide markers for multiple ESRI SW platforms.
