ESRI Software Requisition via Master Agreement #MA-IS-43547

May 1, 2008

To Whom It May Concern:

The Chief Information Office and the Internal Services Department (ISD) have entered into Master Agreement #**MA-IS-43547** with Environmental Systems Research Institute (ESRI), a provider of Geographic Information Systems (GIS) software. This agreement provides pre-negotiated, discounted costs for the purchase of ESRI software. Services, maintenance, and hardware are not included in this Master Agreement.

The attached request for the purchase of ESRI software references this Agreement and prices quoted shall match Exhibit E of that agreement.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Sanchez", with a long, sweeping underline.

Richard Sanchez
Interim Chief Information Officer
