

**LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS
STORM DRAIN/CATCH BASIN WORKSHOP
DPW HEADQUARTER-ALHAMBRA ROOM
NOVEMBER 14, 2012, 1-3 PM**

The Survey/Mapping & Property Management Division of Los Angeles County Department of Public Works (DPW) is very pleased to invite you to the **Storm Drain/Catch Basin Workshop** which will be held on Wednesday, November 14, 2012 concurrently with GIS Day 2012 at DPW headquarters in Alhambra.

By maintaining properly functioning storm drain and catch basin facilities, we will be able to remove pollutants, control stormwater runoff, prevent flooding, and protect public health. The goal of this Workshop is to facilitate the operation and maintenance of catch basins by leveraging the GIS technology, data sharing, and networking among public sector professionals.

The chronological list of the workshop topics along with the name of presenters is as follows:

- | | |
